

A new year and a fresh start Welcome to Manchester Community Central

The new support service for Manchester's voluntary and community sector

Manchester Community Central is the new service providing information and support to build the capacity and sustainability of voluntary and community sector groups in Manchester. The service will be working closely with other local infrastructure organisations to offer a co-ordinated approach to support in Manchester.

Information and support is available through our dedicated telephone information service and on the Manchester Community Central website which will be launched in the next couple of weeks.

What you can expect from Manchester Community Central

Information Service

- [Telephone helpline](#)
(open from 10am to 4pm Monday to Friday)
- [Website](#)
providing a wide range of information and resources for voluntary and community groups in Manchester. Including information about local and national training opportunities.
- [Weekly e-bulletin](#)
with the news and updates
- [Quarterly Newsletter](#)
with a theme for each issue such as finance, governance & management, managing risk, volunteering, project planning and development.

Basic Support

- Lots of groups face the same typical issues: setting up, charity registration, finding funds and so on. We can help you identify what you need through our simple "healthcheck" and put together a package of information and support.

In-depth Support

- For a limited number of groups we will be able to provide a programme of longer term support in managing major organisational changes and development. This includes a detailed health check with a written report and a "prescription" of support.
